# General Policies

## ORDERING

For all orders, we prefer to have your menu selection two weeks in advance. Your final guarantee is due the Monday prior for a weekend date or 5 business days for a week day date to allow us ample planning time. (For unexpected or last minute events, call for possible order placement)

You need to contact Mario's on the specified date to confirm your party and give us your final guarantee. Once you give your final guarantee **YOU MAY NOT DECREASE** your number. However, **YOU CAN INCREASE** it up to four days before the delivery date. All of Mario's food is made from fresh ingredients for each order so we only prepare and send food for this exact number. If this procedure is not followed, we will have to consider your party "unconfirmed" resulting in the loss of your deposit, and the order will not be processed.

## BILLING / DEPOSITS

A 30% deposit for the total estimated bill is due on the day or shortly after the date of booking. The balance is due 48 hours prior to delivery date. You can call Mario's with a major credit card or come in and pay cash. If you prefer to pay by a personal check, the balance must be received on Monday or Tuesday. All of our orders are shipped pre paid unless clearance for your check or credit has been issued by our accounting department. Your bill will be the final guarantee number multiplied by the plate price in your package with the additional cost of any options specified on your order/contract, plus 10% sales tax unless you are tax exempt and have a letter of resale tax number. Letters and numbers are required at the time you place the order.

## DELIVERY / SERVING TIME

Due to traffic delays and weather related issues, Mario's schedules deliveries in 30

minutes and guarantees that your food will be ready by the serving time. Mario's delivers 7 days a week. We ship all hot food items to you in our transporting units. These units keep your food at the proper serving temperature until we arrive at the party location, at which time we carry in and set up any food items you have ordered. If you order food with disposable items, you will be subject to a one way delivery charge. If you order food with returnable equipment, you will be subject to a two way delivery unless other arrangements are made. When placing order ask for delivery cost to your event location & if gas is + \$2.00 we will add a 1.5% fuel charge based on the invoice total)

## EXTRA FOOD

As soon as your guests have eaten, we suggest the food be refrigerated or frozen for future use. With the possibility of some adverse conditions that may occur to our food at the party locations, Mario's assumes no responsibility for food wholesomeness if unsafe practices are followed by the customer on the date of delivery, as well as after the original delivery date. **Do not keep food hot in chafers for more than 2 hrs**, discard food or cool it down food as fast as possible after serving is complete & reheat small amounts as needed in your microwave or oven. Always reheat to 180F internal temperature
